Procedure

1. Students must return a completed [Application for Graduation form](#) to the Office of the Registrar.
2. Upon receipt of an Application for Graduation form, the Office of the Registrar will monitor the student's progress until all final grades are received. They will then notify students in writing when all requirements are complete and the student becomes eligible to receive the credential.
3. The name appearing on the Application for Graduation must be the same as the name on the official student record. This name will appear on the parchment and in the convocation program. If a change to the student record is required, a completed [Student Change of Information form](#) must be forwarded to the Office of the Registrar.
4. All final grades, including grades for courses on a Letter of Permission, must be received and processed by the Office of the Registrar before the 15th of the month. All students eligible by the 15th of the month will have their names included on the list submitted to GFC the following month. Students who wish to attend convocation ceremonies in June must have all requirements complete by the end of the second week in May.
5. Students must reapply to graduate if at any time they become inactive in their program or are not in enough courses to complete the requirements of the credential.
6. Parchments will be mailed to the student using the address appearing on the Application for Graduation form within two weeks of the GFC approval.
7. Students who receive graduate or undergraduate degrees are invited to attend the convocation ceremonies held by AU. Graduates of university certificate or university diploma programs are listed in the convocation program, but do not participate in the ceremonies.
