Department Policy Number

137

Effective Date

September 1, 2009

Purpose

This policy defines the regulations and guidelines associated with undergraduate exam requests and undergraduate exam completion at Athabasca University (AU).

Definitions

AU Approved Invigilator

An individual who has been authorized by an AU representative in the Examination Services Unit to supervise an undergraduate course exam.

Approved Invigilation Centre

An establishment that has been authorized by an AU representative in the Examination Services Unit to supervise an undergraduate course exam. AU Edmonton, AU Calgary, and AU Athabasca offices offering invigilation services will be considered Approved Invigilation Centres.

Contract Start Date

The date a student officially starts his or her course, which is normally the first day of a month.

Contract End Date

The last day for students to complete an individualized-study course. Course contract end dates are always the last day of the month (or the date the student finishes the course, if earlier). The last day for students to complete a grouped study course offering is always the date of the last scheduled course meeting.

Significant Exam Disruption

A significant exam disruption occurs if a student is unable to complete an exam due to an unforeseen, uncontrollable event such as fire, an evacuation, or technological failure.

Exam Rebooking Fee	The fee assessed when a student requests to rebook an exam scheduled for invigilation at AU Calgary, AU Edmonton or AU Athabasca.
Exam Write Date	The date the student has scheduled with an AU approved invigilator or an approved invigilation centre to write an exam.
Late Request for an Exam	This is an exam request that has been received after the exam request deadline but on or before the student's contract end date. Students cannot request a multiple exam after a late exam request has been made.
Multiple Exam Request	This is an exam request for a previously unwritten examination, which has been returned to the University by the AU approved invigilator or approved invigilation centre, to be resent to the same or an alternative AU approved invigilator or approved invigilation centre. Students will be assessed a multiple exam fee for this service. The Multiple Exam Request does not apply to supplemental examinations, which must be written as requested.
Supplemental Exam	Students are allowed to write one supplemental exam for each midterm or final examination they are required to write as part of the course, if they are not satisfied with the initial exam mark. An unwritten supplemental exam that has been returned to the University may not be re-requested.
